An odd customer comes around to An,
a Japanese-style café hurting for business.
My darling Kazuno, I have a gift for your ever-lovely self.
Arabian Prince: Ashraf

I'm whose
what, now?
Here you go. ♡
Proprietor: Kazuno
You're my darling and my future wife.
……!!
Look! I'm not marrying anyone. The shop comes first.
And I'm not taking the flowers!
Here you go.
My, you're heartless.
DON'T DECIDE THAT ON YOUR OWN!!
ARE YOU LISTENING TO ME!?
A coffee, please, sweet Kazuno.
The prince always causes trouble like this

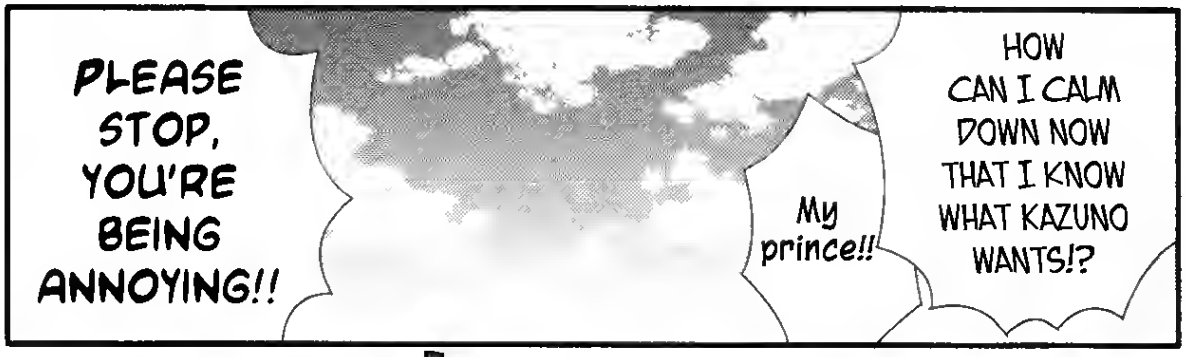
It's not awful, it's just individualistic.
It's okay, you don't have to make excuses for me.
I acknowledge it myself.
NO MATTER HOW AWFUL HER COFFEE IS?
Averting danger with OJ
bttbft
But when you take that attitude towards me, I want you all the more.
So, Kazuno, if you don't want flowers, what do you want? Tell me.
I just turned you down...
NOW, LOOK HERE!
I don't need anything. It's my policy not to accept anything from customers!
Aw, don't say that.
Men want to give presents to the women they love.

Well, I—
Don't hold back. With wealth like mine, there's nothing I can't provide.
I can give you clothes, jewels, anything you ask for.
Oh, I know! How about a coffee plantation?
bap
NO THANKS!!
QUIT GETTING CARRIED AWAY!!
sluuurp
Awwww!
DON'T "AWWWW!" ME!!

My prince, if she's going to talk like that, why not give the presents a rest?
sigh
I mean, it's wrong to try doing anything for me with money.
What she no doubt really wants is some dodgy item to make coffee taste horrible.
Something from black magic, like a frog or snake.
WHAT'S WITH THE PRE-JUDICE!?
There is something I actually want!
Ohhh!
glomp
What is it!?
It's—

THE ABILITY TO MAKE DELICIOUS COFFEE.
Ability ...!!
You can really tell she has a need for that.
yup, yup.
It's okay. I know I'll never get it without hard work.

hm hmm!
heart clench
GATHER UP THE WORLD'S MOST FAMOUS BARISTAS!!
THEN GET TOGETHER SLEEP-LEARNING KITS AND ANYTHING ELSE THAT SEEMS LIKE IT COULD WORK!!
MY PRINCE, PLEASE CALM DOWN!!
Cedric?
Yes?



PLEASE STOP, YOU'RE BEING ANNOYING!!
My prince!!
HOW CAN I CALM DOWN NOW THAT I KNOW WHAT KAZUNO WANTS!?

The next day
Welcome!

It was hard getting him calmed down yesterday
Oh good, you're empty-handed today.
HMF.
I learned there are things money can't provide.
?
But there's a better way to convey my affection.
ACTING IT OUT DIRECTLY!
ENOUGH, YOU'RE ANNOYING!!
It seems Prince Ashraf's time of being annoying will unfortunately continue
